

May 13 2012 - Ballands Bowmen's Pen Ridge Shoot

Report by Maureen Simpson

136 archers shot 36 x 3Ds at our Pen Ridge course in Penselwood. In a month that has seen so much rain, we were very lucky to have it dry and even sunny for once. Our bison made its debut appearance. We set it at 54 yards, but still fooled many into missing it. Well done to our course layers, Luke Baldry, Chris Pleasants and Dave Simpson and to our catering team led by Marleen Toomer, who provided a great choice of goodies. Many thanks to all the club members who helped in so many ways and all the archers who came and supported us and helped us clear the course.
